

In Honor of Mother's Day on May 14, this excerpt was from an article called "A Mother's Love"*

A familiar mother's day poem written in the early 1900's is:

M is for the Many things she gave me,
O means only that she's growing Old.
T is for the Tears she shed to save me,
H is for her Heart of purest gold.
E is for her Eyes with love light shining,
R means Right and Right she'll always be.
Put them all together, they spell MOTHER.
A word that means the world to me.

God created families and gave mothers a unique place in that unit. We can love, give of ourselves, cook, clean, wash clothes, put Band-Aids on scrapes ... be the first one up in the morning or the last one down at night. We juggle a lot of things including raising children, working at jobs, managing a home, and sometimes finding time for ourselves.

Mothers make up a crucial part of our lives. So whether it is a Hallmark card, dinner out, hug, or a kiss on the cheek, we should show we care. It is so important to give our love to these dedicated women in our lives and don't take them for granted.

"Dear children, let's not merely say that we love each other; let us show the truth by our actions." [1 John 3:18](#)

Greetings Everyone,

It's hard to believe May is here already. What's the old saying? "My how time flies", and how true that statement is. Our winter travelers are returning home and we all look forward to our summer at the beautiful Lake of the Ozarks.

Living in a recreational area means that here at West Lake there is always a **Guest** in our midst. How blessed we are to be able to say that. Many churches do not experience the number of guest year-long that we do on any given Sunday. With that said let me ask you, "Whom do you know?" or better yet, "Who do you not know?"

Since January of 2016 we have had 27 folks join us in membership and many who continue to visit and worship with us on Sundays. How many of these people have you met? *Hebrews 13:1-2* "Keep on loving each other as brothers and sisters. Don't forget to show hospitality to strangers, for some who have done this have entertained angels without realizing it!" What new and exciting relationships do we miss out on because we are too afraid to greet someone we do not know? It is up to all of us to welcome guests and to know people, not just a familiar face from church that you might recognize in the grocery store, but to know something about the person. This is the relationship we are to participate in as part of the body of Christ.

Say hello to someone you don't know each week and learn one thing about them.

Blessings,
Kelly

Weren't the dogwoods beautiful this year? And the redbuds were still blooming! It is so amazing to see how quickly the trees go from bare branches to buds to leaves.

Speaking of beautiful.....how about the church sign at the intersection of Hwy 5 and Hwy O!!! When it lights up at night it really stands out. It should be a beacon for those looking for a church.

Watch for an informational program on safety measures to take in the case of an emergency. This time of year is a prime time for tornadoes and severe storms. The question is, what would we do at church if a storm stuck? What would you do at home to protect yourself? There are steps to prepare for these eventualities Bill Todd has some information to share with us at a time to be announced. Watch for the details.

It is so good to see fresh faces in the church service. If you see someone you don't know, introduce yourself and offer to take them to lunch. What a wonderful way to share God's love.

What will you do for God's service?

Applying Bible Principles

How rich are you? Most of us would respond to that question with a recitation of our material possessions. We would list bank accounts and their contents, stocks, bonds, houses, vehicles, and other so-called assets as tangible evidence of our wealth.

But is that how rich we are? Not really. Adrian Rogers said this, "If you want to know how rich you are, add up everything you have that money can't buy and what you've sent on to heaven. That's how rich you really are."

There are two ways to send money on to heaven, or as the Bible phrases it, to "lay up treasures in heaven." One is to give to the work of the Lord. As we do that, particularly through giving our tithes and offerings here at West Lake Christian Church, we make deposits in what one writer described as the "Bank of Heaven." Another way to accomplish that goal is to give to meet the needs of other people. That's the admonition provided by the Apostle Paul in 1 Timothy 6:17-19 when he instructed Timothy, "Command those who are rich in this present world . . . to do good, to be rich in good deeds, and to be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age. . . ."

Compared to many people in the world, all of us – to one degree or another – have been richly blessed by God. That's why we need to apply Paul's counsel to our lives. As we follow his instruction, giving in the name of the Lord Jesus to meet the needs of others, we "lay up treasure" for the coming age.

One of the primary reasons God provides material blessings to us His children is that we might through those material provisions minister in His name to other people. According to Matthew 25:40, when we do that, even to what Jesus described as the "least" of His brothers, it is as though we have done it unto Him.

As one writer expressed it so well, "Investing in the lives of others and growing in our relationship with God are spiritual treasures. They are not subject to destruction or thievery. They are fully protected. Their value never diminishes." Or as an anonymous poet wrote, "Shall the great Judge say, when my task is through, that my soul had gathered some riches, too? Or shall at the last it be mine to find that all I had worked for was left behind?"

As you consider your true wealth and what really counts for eternity, think about this: How much better to be a poor person who is spiritually rich than a rich person who is spiritually poor.

How rich are you?

CWF NEWS

Wasn't the Mother-Daughter Luncheon a lot of fun? It is one of my favorite activities of the year. The chance to bring family members of all ages to a celebration of women is awesome. Tracy Garrett, Vanessa Hebrank and their mother, Margo Strothman are great musicians and we really enjoyed their performance.

Our next meeting on May 9 will have a special guest. Ruth Hotle will be telling us about the human trafficking going on in our area and in the region. Ruth is a retired Congregational minister. She and her husband are recent retirees making a permanent move to the lake.

Join us at our next meeting on May 9 with a potluck lunch at 11:30 AM. Hostesses will be Carol Easter and Sharon Hofer. Hope to see you there.

I want to thank my Church family for the prayers, calls, cards and all their concern. I was not prepared for how much pain and weakness I would have after the surgery. It is so good to know I have a church family that will help me thru. Keep me in your prayers and I will work hard to recoup real soon. God Bless All Of You.

In Christ's Love.

A sign of honor

Even He who died for us upon the cross, in the last hour, in the unutterable agony of death, was mindful of his mother, as if to teach us that this holy love should be our last worldly thought - the last point of earth from which the soul should take its flight to heaven.
